This is going to be a fun and competitive golf tournament! Each foursome will be comprised of (2) Celebrity Athletes and (2) Guest/Amateur Golfers.

*This is an Amateur Golfer event only.*

### OFFICIAL GOLF RULES & FORMAT

1. This is a "Best Ball" formatted tournament. Every golfer will play their own ball. Best Ball is a golf tournament format in which the multiple golfers who make up a team compare their scores on each hole, and the one lowest score among them - the "best ball" among them - counts as the team score. (Not a scramble)
2. Ball will be played as it lies and in accordance with the course and local rules.
3. Best score of the twosome (athletes & non-athletes are separate twosomes) and best two scores of foursome on each hole (athletes & non-athletes combined) will be considered.
4. Your GHIN\* (Golf Handicap and Information Network) Index is required to compete for the net prizes in the twosome division.
5. If you do not have a GHIN\* Index you will be assigned a handicap of "0" for the twosome net competition. Maximum handicap allowed is 18.
6. A professional forecaddie will be assigned to each foursome and will keep score for all golfers.
7. This is a NO Mulligan event.
8. Foursome scoring will derive from the best ball score of the Celebrity Athletes added to the Non-Celebrity Athletes score.
9. The Non-Celebrity Athlete twosome with the lowest gross and/or net score will be the winners. The Celebrity Athlete twosome with the lowest gross and/or net score will be the winners.
10. The Celebrity Athlete/Non-Celebrity Athlete combo foursome with the lowest gross score will be the winners.
